TYPOGRAPHICAL.—During these swift and exciting times, when half of our editorial force are out on the campaign, were we to attempt to correct the many typographical errors that occur in our columns, the paper of one day would be filled up with the corrections for the day previous, and so on. We therefore propose to correct only those of our yesterday's issue, that might injure the business prospects of our friends referred to.

Instead of "sugar house" of Messrs. Elliott & White, read "liquor house." The error was corrected in the proof, but through the negligence of the printer it was not attended to.

Messrs. W. H. & R. S. Tucker are represented as having departed for Saratoga. Our copy plainly read Col. W. H. H. Tucker, who left for Saratoga with the family of Maj. R. H. Tucker. One of these gentlemen are always present at the store, and especially now, that their magnificient store room is about being entirely renovated, repainted, &c., from stem to stern.

Hon. J. J. Hickman, of Kentucky, Rev. W. H. Bobbitt, of North Carolina, and Rev. W. W. Duncan, of Virginia, will address the State Temperance Convention which assembles in this city on Tuesday the 6th day of August.

IN AND AROUND THE CITY.

LOCAL BRIEFS.

Register.

Cabarrus street is being levelled.

The weather continues very hot.

Registration is progressing very slowly.

Let every white man register without delay. Do it to day.

Pink Hardie still keeps the lead in chewing tobacco.

Fred Douglass is billed for Raleigh on the 30th inst. Who next?

Register at once, if you dont know *positively* that your name is on the book.

Quite a number of our townspeople left yesterday morning for Kittrells Springs.

Will not some of our county friends keep us posted in regard to the county canvass.

Secretary Delano will harangue the faithful at Lovejoy's Grove to-day. Wilson can't come—he's had enough.

It would be well that every voter ascertain for himself whether or not his name is on the registrarion books.

Extensive preperations are being made for the Grand Ball at Kittrell's in honor to Gen. Ransom, this and tomorrow night.

King, the proprietor of stall, No. 1, at the Market House, has a soda fountain in operation that dispenses a first rate article.

The finest show of peaches that has appeared in our market was raised by our townsman, Dr. Babcock on his farm near the city.

Several who thought their names on the registration books, upon enquiry examination found they were not. Go and see for yourselves, that you may know. It is all important.

The registration books for the Middle and Eastern Ward and outside the corporate limits of Raleigh are open at the Mayors office. For the Western Ward they are open at Dunston's shoe shop, near the gas house on Cabarras street.

The imported negroes that spoke in the Court House Tuesday evening, ran every decent white man of the party out of the room by the grandest display of ignorance and nonsense ever known within its walls. Gen. Jones was not present to enjoy it.

AT IMPORTANT DECISION.—The following opinion was rendered by Judge Reade, of the Supreme Court, on Monday, which we publish in full:

The decision is on the constitutionality of county bonds for railroad purposes, and will put a quietus upon the feverish anxieties of many creditors similarly situated.

The opinion of the Court will be found to contain a sufficient statement of the facts.

John G. Hill vs. the Commissioners of Forsythe county.

By READE, J.

The main question is whether the Legislature has the power to authorize the people of a county to take stock in a railroad and to determine the question by a popular vote and to tax themselves to pay for it.

The Legislature of 1852 authorized the town of Newbern to take stock in the Neuse River Navigation Company, for the use of the town, and issue bonds and levy a tax upon the property-holders of the town to pay them. One of the tax-payers filed a bill to enjoin the collection of the tax upon the ground that the act of the Legislature was unconstitutional.

The question was fully argued and well considered and the discussion was in favor of the constitutionality of the act. Taylor vs. the *Commissioners of Newbern*, 2nd, JONES, EQUITY, p. 141.

And, again in 1855, the Legislature chartered the Western N. C., R. R. Co., and authorized any county through which the road might pass to take stock if a majority of the Justices of the Peace, and a majority of the voters should so determine and to issue bonds and to levy a tax, &c. The county of Burke took stock and one of the tax payers filed a bill to enjoin upon the ground, that the act was unconstitutional, but this Court decided in favor of the Constitutionality of the act, and in the opinion it said, "in accordance with these views is the case of Taylor Newberne (*Supra*) so that the question may be said to be settled here, *Caldwell vs. Commissioners of* Burke, 4th, *Jones Equity*, p. 233.

The defendants counsel cited also decisions in almost all the sister States to the same effect, so that we repeat what was said in Caldwell vs. Justices of Burke, that the question is settled. We suppose that the plaintiff's counsel felt at liberty to treat it as an open question, because in Caldwell vs. Justices of Burke, there was a dissenting opinion by the present Chief Justice, but the Court was unanimous upon this point. The dissenting opinion was only as to the power of a second vote of the people after they had rejected the proposition by a former vote.

There are divers other points, in the complaint which seemed to be unfounded, and besides they are unimportant. The main thing the people's will, seems to have been fairly obtained; the stock was taken; bonds were issued; rights were vested; taxes have been levied and a portion of the instalments have been paid and taxes are now laid to pay other instalments. The Board of Commissioners, who may be supposed to represent the popular will, are anxious to meet the obligations incurred, and the court will not allow technical and frivolous objections, calculated to impair public faith, to avail a few who are indulged with the privilege of sueing for a class. Only their substantial rights will be considered.

We agree with his Honor, that the injunction ought to have been dissolved. There is no error. This will be certified &c.

Kittrells Springs--Its many Attractions--Hotels--Visitors--The Coming Ball.

KITTRELLS, N. C., July, 22nd, 1872.

Dear Woodson:—

At your request I send you the following communication from this place, but you ought to know all about Kittrels—the much talked of place. Yes it is talked of and well it should be, as no place surpasses it for beauty, comfort and health.

While it has but little of the pomp and show of Long Branch or Cape May, yet it is just the quiet, tidy place that people delight in visiting. Our landlord, Maj. Blacknall, is all we could wish him to be, sober, quiet, polite and as industrious as a bee. He never lets an opportunity pass to make one feel at home, and when we say he knows how to keep a hotel we know the many here will sustain us.

This is to be the big week here. A Grand Complimentary Ball will be given to one of North Carolina's brightest sons, Hon. M. W. Ransom.

The occasion will make large additions to our already large company. Among the names registered for rooms, we notice some of the leading young ladies and gentlemen of the State; and what is best of all, friend W—, the Maj. dispenses with that mighty obstacle and barrier on such occasions—that extra X, which is so inconvenient to fork over. We will have a rousing time, and I want you with us. Old Boy, come down and let the many who are already complimenting your exertions, have a shake of your hand.

Our Boston friend, Davis, at the Depot, has fitted up his house in better style than any place of the kind we ever saw. His enterprise and liberality should meet with a proper encouragement. We fully set him down as a whole souled gentleman, full of life, vim, enterprise and good nature. All should know Davis.

The little church on the hill is fast approaching completion, and by the extra exertions of Mrs. Dr. Blacknall, it will soon be nicely plastered and painted. We understand Mrs. B. is much indebted to Mr. M. A. Santos, of Norfolk, for a nice donation of paints. Long may he live and prosper, and may his house ever meet with that patronage we all know it deserves.

Crops in all parts of this county are good, and Greeley stock rising every day; So let us shake off the cares and troubles of home and spend a few weeks at Kittrells'.

Were you not married friend Woodson, I would tell you that there are lots of pretty girls down here, all looking just as sweet as pinks.

Yours ever, W.

INTIMIDATION.—We copy to-day from the *Sentinel* the article headed "Another Gross Outrage," in regard to an attack made upon us on Saturday evening last at the Court House. The account given in the *Sentinel* is substantially correct, though it might be inferred that Mayor Whitaker, with whom we were in conversation at the time we were insulted, was blameable for not having the parties arrested at once. We will state that the Mayor ordered the man Barham off more that once, and finally ordered a policeman to arrest him.—When the second party made a demonstration against us, we immediately left the Court House to arm ourself; when we returned about three minutes afterwards, none of the party were present, and we were of the opinion that the Mayor had ordered them home.

We attach no blame to either the Mayor or police, as both promptly offered their services in our protection.

As stated by the *Sentinel*, the whole affair was undoubtedly a concocted conspiracy to attack and injure us, and we designedly kept quiet, with the hope that some or all of the party would repeat their experiment.

On Saturday, the negroes were highly incensed, because of the conviction of one of their number as a Ku klux, and we were publicly charged as being officious and instrumental in procuring warrants for his arrest. Their passions were fully aroused by the act of Deputy Marshal Miller, when he carried the convict to Temple's X Roads, and exhibited him as a martyr. Shortly after this act, we were attacked at the Court House, by an unknown negro, backed by three comrades, as stated by the negro, for what we had been doing the past two or three days.

This dastardly act, has put others of our friends on their guard who, like us never before, thought it necessary here in the city of Raleigh to go prepared for assassination, and we warn the cowardly villians to be careful in the future of when and how they insult and attack gentlemen, who cannot and will not be intimidated in their political faith by any number of dark lantern—midnight political assassins.

PERSONAL INTELLIGENCE.—Messrs. Crepsy of the New York *Times*, and Coffin of the *World* are in the city.

Gen. T. L. Clingman and Col. W. P. Wood of New York passed through the city yesterday evening en route to High Point where they will address the people to day.

Gen. Abbott, and Hon. John Pool arrived in the city yesterday evening and are at the National.

Col. J. W. Hinton of Norfolk, arrived in the city yesterday evening from Norfolk Va., and took up quarters at the Yarborough.

Gen. B. T. Johnson, put in an appearance at the National Hotel for a few hours yesterday. He left for Fayetteville.

THE NATIONAL HOTEL.—During the absence of Mr. Rutjes on his northern tour, Mr. M. W. Churchill will have entire charge and control of this popular House. Mr. Churchill is well known to the travelling public as one of the former proprietors of this house, and all will agree that in this capacity he is "the right man in the right place.

ITEMS FROM OXFORD,—Our Oxford correspondent under Tuesday's date, furnishes us the following:

I should have mentioned before that some colored orators from the North arrived in Oxford on Friday and made some speeches on that evening in the Courthouse to a large audience of persons composed of both races. These orators who are intelligent and effective as stump speakers, advocated the claims of Greeley for President with much vehemence and ability.

Calvin Hester colored undertook a reply in behalf of the claims of Grant.

A little colored boy who lives on the plantation of Marke Hester was killed Monday the 22nd by falling from a wagon, that his father was driving to Henderson with considerable speed and which passed over the boy. The father was endeavoring to get ahead of other wagoners in arriving at the depot. Death ensued almost instantaneously.

We learn that Messrs. Hill & Skinker, of Richmond, Va., will soon publish in the NEWS a list of the prices at which they sold a large quantity of tobacco, grown by many of our celebrated farmers in Granville county. As a remunerative crop, tobacco at the prices obtained by some of our farmers is regarded as ahead of cotton, estimating the latter staple at the present price it commands. [See the list in our local columns this morning.—ED.]

The money bid off at the last meeting of the People's Building and Loan Association was taken by Dr. L. C. Taylor and L. A. Paschal, Esq.

The Classical and Mathematical school of Messrs. Horner and Graves opened on Monday, July 22nd, with flattering prospects. They are both able and experienced educators, and their combined qualifications in the management of the Oxford male academy serve to make this one of the best places of resort to be found in this county for those seeking a good education or who wish to be trained in a proper manner for bearing off the highest honors of a collegiate course.

The Oxford Female Academy, which is in charge of Miss Mitchell and her sister Mrs. Grant, is a second in real merit to none to be found anywhere and is well worthy of liberal patronage.

GRANVILLE TOBACCO.—We publish below an account of tobacco sales made recently by Messrs. Hill & Skinker at the Tobacco Exchange of Richmond, Va., which will not only show the superiority of Granville tobacco, but the reputation that this house has attained in our State is upon strict merit.

Charlotte, Saturday night, August 17th.

The citizens at the above named places are respectfully invited to turn out and hear this distinguished advocate of Temperance.

State papers are requested to notice.

THEO. N. RAMSAY.

THE RADICAL KU-KLUX.—Commissioner Best issued two more warrants for the arrest of Radical Ku Klux conspirators in the Cross case on yesterday. It is known that he was attacked on the night of the 16th of July by not less than fifty of the infuriated mob of negro's, yet it is with great difficulty that even six have been arrested, though no stone is being left unturned to ferret out the last one of them.

ANOTHER GROSS OUTRAGE.—On Saturday evening Capt. E. C. Woodson, City Editor of the NEWS was sitting on the steps of the Courthouse engaged in a quiet and friendly conversation with Mayor Whitaker, when a colored man named Barham approached, and after saluting Mayor Whitaker, turned to him and, without the slightest provocation, addressed to him some very impertinent remarks. Mr. Woodson at first made no response supposing that the man had mistaken him for some one else. The negro repeated his offensive remarks and said "oh, I know you; you are Woodson. I know you have been cutting up about here the last two or three days." Captain Woodson told the man to go away, he didn't wish to have any difficulty. The man then exclaimed "I am a freeman, and by God, responsible for what I say." Captain Woodson then arose from his seat and upon which three colored men, sitting near by, rose from their seats and approached the spot exclaining, "hurrah for Barham, we are with him." Mr. Woodson being unarmed and knowing that he could not successfully cope with four able bodied men retired for the purpose of arming himself, and when he returned a few minutes afterwards, the negroes had gone, the Mayor having had them taken away under the charge of a policeman. We have not the slightest doubt but this was a regularly concocted conspiracy to assault and injure Mr. Woodson, and every one of them should be arrested and punished according to law.—*Sentinel*

FORE WARNED, FORE ARMED.—It is is a noticeable fact, that the negroes are becoming more insolent and insulting every day. Since the endorsement of their attack upon the colored Greeley Marshal, Cross, by Supervisor Perry, Gen. Wiley D. Jones, Col. I. J. Young, A. W. Shaffer and other leading lights of the Radical party, who came promptly forward to sign the bonds of the convicted conspirators, they have manifested a disposition, not only to be insulting, but seek an opportunity for it.

We would remind our friends of the advice that Mr. Doolittle gave us in his address in regard to moderation, and the importance of patient submission, &c., but there is a point that can be reached when forbearance ceases to be a virtue. *Verb sap.*

We have had your Machine in use in our family for four months, and can safely recommend it to the public for its simplicity, beauty as a piece of furniture, and as a "help" to those of us with large families, it is a "sine qua non." We have made with it, in addition to the usual household work, over one hundred garments, large and small, including Pants, Coats, Dresses, &c., some of which were heavily trimmed, two of the dresses containing from 100 to 125 yards of tucking. It is worked with much ease, requiring but little exertion. We would not be without one for three times its cost. Yours &c.,

MIDNIGHT DISPATCHES.

The July Report of Agriculture.

WASHINGTON, July 23.

The July report of Agriculture is now ready. The reports of corn represent 989 counties, including an area usually producing seven hundred million bushels annually, and indicating an increase of 3 per cent.. This is equivalent to more than three-fourths of a million of acres, and the total area of this great crop of the country, which nearly equals in extent the aggregate of all other tilled crops together, is probably about thirty-five million acres.

The States in which an increase of acreage is reported is as follows: New Jersey 2 per cent Pennsylvania 2, South Carolina 2, Georgia 1, Alabama 3, Mississippi 1, Lousiana 8, Texas 8, Arkansas 4, West Va., 2, Kentucky 2, Ohio 2, Michigan 10, Indiana 1, Illinois 2, Iowa 1, Missouri 4, Kansas 28, Nebraska 20, California 1, Dimunition appears in Maine of 4 per cent, Vermont 2, Massachusetts 4, Rhode Island 5, Connecticut 6, New York 1, North Carolina 2, Tennessee 1, Wisconsin 4, Minnesota 3.

The area in the remaining States reported the same as last year. Of the reports from 989 counties, 263 place the condition above 100; 413 below 100. Illinois is represented by 50 counties, of which 22 stand above average, and 23 below. Of 34 counties in Missouri, the condition of corn is above average in 16, and below in 25. Of 36 counties in Kansas, 8 only send figures less than 100. In Iowa, where cool and cloudy weather generally prevailed in spring, followed by changeable weather, and in some sections heavy rains, only two reports of the condition are above 100, and in Ohio, where the drouth has been severe, but three reports of 45 gives figures higher than 100. The States making returns higher than 100 are, Vermont 101, North Carolina 101, Alabama 110, Mississippi 111, Louisiana 119, Texas 110, Kentucky 103, California 101.

The following return the condition below average: Maine 96, New Hampshire 98, Massachusetts 98, Rhode Island 92, Connecticut 98, New York 95, New Jersey 96, Pennsylvania 98, Delaware 92, Maryland 82, Virginia 94, South Carolina 96, Georgia 94, Florida 78, West Virginia 95, Ohio 90, Michigan 98, Indiana 95, Illinoise 99, Wisconsin 95, Maine 86, Iowa 88, Missouri 97, Kansas 98 Nebraska 97, Oregan 97, Tennessee is placed at 100.

WHEAT—Improvement, in the condition of wheat is reported from New York, Maryland, Virginia, Michigan, Missouri, Kansas and to a slight degree in some other States, while a small decline is reported in Ohio, and in some of the Southern States, the averages in the winter wheat States stands as follows. Connecticut 94, New York 78 New Jersey 79, Pennsylvania 69, Delaware 75, Maryland fifty-seven Virginia 99, North Carolina 118, South Carolina 103, Georgia 102, Alabama 116, Mississippi 108, West Virginia 95, Kentucky 112, Ohio 75, Indiana 88, Missouri 66,. Of the States producing almost exclusively spring wheat: Maine 108, New Hampshire 103, Vermont 104, Wisconsin 101, Minnesota 101, Iowa 108, Nebraska 112, Oregon 95, California, which is not fully reported, 120 for early sown and 112 for late.—Kansas, spring 95, winter 60; Illinois, spring 114, winter 92; Michigan, spring 98, winter 81. The average condition for the United States is almost exactly the same as in June, or 94, 6 per cent. less than average in the quantity of the grain is uniformly superior in the Middle States in Ohio Michigan and Missouri and wherever the better condition is reported the straw is shorter but the heads are generally long and well filled. The kernel plump and heavy the quality of Southern wheat will probably prove as fine as any other produced in that section. In threshing fullness the heads in proportion to the quantity of straw causes the yield to exceed the expectation and may go far to offset the small decrease in reported condition. It is quite probable that the general excellence of the grain will make present crop of equal value to that of last year. It has been almost an entire exemption from rust, and comparatively little complaint of insects. The Hessian fly is reported in several places, more numerously in Ohio valley, and the chinch bug has caused losses in many counties of Illinois, Iowa and Missouri.

Foreign News.

LONDON, July 23.

In the House of Commons this afternoon, there was some discussion upon the subject of the arrival of French Commissioners in England, during which, the significant question was put to the Government by Sir Robt. Peel, after alluding to the fact that Germany had expelled Jesuits, he asked the Premier whether the Government intended to enforce the section of the Roman Catholic relief act of 1829, which provides for the banishment from England of all members of the Society of Jesus. Gladstone in reply, said the subject was important and should be taken into serious consideration by the government. He added, that though the law in question was now nearly half a century old, no steps had yet been taken for its enforcement.

HAVE YOU TOLD YOUR NEIGHBORS?

Have you told your neighbors of the momentous importance of the election, to take place on the 1st of August?

Have you told them of the mighty issues at stake?

Have you told them of the monstrous crimes of the Radicals?

Have you told them how poor North Carolina has been swindled and trampled on by Radical officials?

Have you told them how millions upon millions of their bonds have been stolen by leading Radicals?

Have you told them how the State debt was increased twenty-six millions of dollars at one session of the Radical Legislature?

Have you told them how the school fund has been squandered by the same party?

Have you told them how they have broken down the University, once the pride and ornament of the State?

Have you told them how Littlefield and Swepson bought up the Radical Legislature of 1868-'9, for the sum of two hundred and forty-one thousand dollars?

Have you told them how the Radical party has destroyed the credit and fair name of the State?

Have you told them how the Radical Convention, which nominated Tod R. Caldwell, endorsed the past course of Gov. Holden, particularly his Administration of 1869-'70?

Have you told them that this is an endorsement of the Kirk war?

Have you told them this is an endorsement of all the cruelties and tortures practiced by the Tennessee ruffians upon your unoffending fellow-citizens?

Have you told them this is an endorsement of the hanging of Murray and Patton by the necks until they were nearly dead?

Have you told them this is was an endorsement of the violations of the sacred rights of personal liberty guaranteed to every citizen in every Government claiming to be Republican?

Have you told them all the crimes and outrages of Holden's rule, which resulted in his impeachment, for which several Radical Senators voted?

Have you told them of the ignominious official career of Tod R. Caldwell, the Radical candidate for Governor?

Have you told them how Caldwell has, time and again, set aside the laws, when it suited his own convenience or the interests of the Radical party?

Have you told them how Caldwell has suspended statute after statute, in violation of his oath of office, and of the fundamental law of the State?

Have you told them how he has refused to protect the people of Robeson from outlaws and cut-throats on the false assumption that he has no power over the militia of the State?

Have you told them that he proclaims himself the advocate of the suspension of *Habeas Corpus* in the South—thus putting the military over the civil law, and striking down the dearest rights of personal security?

Have you told them that he signed the Radical address of 1868, an incendiary and diabolical production, inciting the negroes to incendiarism, robbery and murder?

Have you told them that the triumph of Radicalism in this election will bring still greater poverty and ruin upon them?

Have you told them of the awful responsibilities resting upon them as citizens to make one more effort to redeem their Mother State from the clutches of the harpies who have been preying upon her substance?

Have you told them of the necessity of voting for candidates for the Legislature who are in favor of all the amendments to the Constitution, proposed by the last Legislature?

Have you told them of the importance of registering their names before the first day of August—without which they cannot vote?

Have you talked with them, reasoned with them, begged them, implored them, for the sake of their own interests, for the sake of their families, for the sake of their State, to go to the polls on the first day of August, and cast their votes against that party which has made the name of North Corolina a byword of reproach—which has brought upon our people deep and immeasurable calamities—which has stolen without stint and oppressed without measure—which is the embodiment of every political crime and every species of villiany which, in a word, is a synonym of fraud, impoverishment, usurpation and ruin?

If you have not told your neighbors these things, go at once and inform them.

Tell them to be sure to be at to polls on the first day of August.

Tell them to be sure to see that their names are on the registration books before that day.

TELL THEM TO BE SURE TO VOTE AGAINST RADICALISM!

THE INTIMIDATION OF COLORED LIBERAL REPUBLICANS IN RALEIGH--LETTER FROM HON. D. M. BARRINGER TO MESSRS. SMITH & STRONG—ANSWER OF GEO. V. STRONG, ESQ.

We have before given in our columns, the particulars of the recent Radical Ku-Klux assault in this city upon Cross, the colored Greeley Republican.

The correspondence below will be found highly interesting, and fully explains itself:

RALEIGH, N. C., July 23d, 1872.

Messrs. Smith & Strong:

GENTLEMEN:—A colored man, named Samuel G. Cross, a citizen of this State, who acted as Assistant Marshal at the Greeley and Brown ratification in this city on the 16th inst., was, I learn, assaulted by a crowd of colored Radicals, on the night of the 16th, on account of his political sentiments. Some of his assailants have been brought before United States Commissioner Best, in this city for trial, under what is known as the "Enforcement Act" of Congress. As you appeared as counsel for the prosecution, I would thank you if you will furnish me with the particulars of the trial.

The frequent outrages of colored men on any one of their own race who is independent and free enough to think and act for himself, should be stopped. The colored people who would not dare to raise a finger against a white man for voting as he pleases, must be taught to know, even if necessary by painful lessons, that they have no more right to interfere with the privileges of the humblest of their own race, than with those of the white man.

This cruel and wicked and unlawful persecution of the colored man, now so common among us, by his own race, for the exercise of his undoubted right to vote as he pleases, must be duly punished under the law, and the colored people who are seduced into such violations of the law, by reckless and corrupt leaders, white or black, must be made to understand that a colored voter has as much right to cast his suffrage for Mr. Merrimon as Mr. Caldwell; for Mr. Greeley as Mr. Grant, and if he thinks he has the same right in law and more in reason to do so, no human being has the least authority under the laws and Constitution of this country to interfere with the free exercise of this high privilege.

It is manifest now, and has been for some time past, as we all know, that the colored voter is deterred from the free expression of his opinions and enjoyment of his rights, not by any dread of the white man but by the fear of his own race, instigated by bad men for the worst and most wicked and corrupt purposes.

I hope a fair trial has been had—full justice done to this persecuted colored man and it has been unmistakably shown that the laws apply with equal force, as well to the black as to the white man.

I remain, very respectfully,
Yours, &c.,
D. M. BARRINGER.

RALEIGH, July 23, 1872.

Hon. D. M. Barringer:

DEAR SIR:—Your favor of the 23rd instant, having been received during the absence of the senior, Mr. Smith, from the city, I proceed to give the information you ask for in your letter. I attended the trial before Commissioner Best and have to inform you that one colored man has been bound over to the next term of the U. S. Circuit Court upon the charge of having attempted by threats of violence to prevent Samuel G. Cross from freely exercising the right of suffrage, and that two others have been bound over for having conspired for that purpose.

The evidence showed clearly, that simply because Cross had *dared* to declare himself in favor of Horace Greeley for President, and to act as a Marshal at the Democratic-Conservative mass meeting recently held in this city, he was the object of a foul conspiracy, and was brutally assaulted by an infuriated mob, from which he escaped only by precipitate flight, and at the imminent hazard of his life. The other participants in this crime shall be brought to justice if they can be identified, and to this end, be assured that no pains will be spared. The defendants who have been bound over, and their friends seemed to be very much surprised and shocked to learn that the Enforcement Act applied to them as well as the whites; and the whole matter taken in connection with other kindred events which have recently occurred in our State, show the legitimate fruits in ignorant minds of the teachings of the most reckless and abandoned leaders that ever controlled the destiny of any party in any age or clime.

Highly commending the patriotic ardor which has prompted your interest in this matter, I remain, dear sir,

Respectfully and truly yours,
GEORGE V. STRONG.

THE PRICE OF SUCCESS.

From that able and excellent Democratic paper, the Statesville *Intelligencer*, we copy the following extract from a recent well written editorial.

It is a mortifying fact, that our opponents are much more thoroughly organized than ourselves. There is no excuse for this. It is folly for us to expect to carry an election without thorough and effective organization.

In many counties, our Executive Committees are composed of men who take but little interest in politics. Many of them are good men, and true, but they are not men of activity and zeal.

Every county—from Cherokee to Currituck, ought to be in a perfect state of organization. There is fault somewhere. Where does the blame lie?

The *Intelligencer* says: Let us not forget that the price of success is untiring, active vigilance. In every county and township let the different committees be the minute men, to watch the movements of the enemy, the sentinels to give alarms in case of attack, the rear guard to bring up the stragglers who fall by the wayside, the enrolling officers to enlist new recruits and see that they do their duty when under fire.

We are contending with a wily and treacherous foe. Their leaders are men who have proven themselves so unworthy of confidence, as no longer to be permitted to lead in the cause of honesty. They have betaken themselves to the Radical party for purposes of plunder, and in the accomplishment of their nefarious purposes they will shrink from nothing that is mean or vile, if it but assist them in their infamous plans. If we organize, rally and vote, there is no doubt but that our labors will be crowned with success, and the vile carcass of Radicalism will be buried beneath the soil of this down-trodden land.

"There is a something better yet,
And stronger than the bayonet;
That executes a freeman's nod,
As lightning does the will of God:
The ballot-box, the ballot-box."

GEN. CLINGMAN.

We understand that Gen. Clingman, who has recently addressed the people of Johnston, Cumberland, Wayne, Robeson and Moore, has had good audiences. His able and argumentative speeches have been of much service to our cause.

The people in the East seem to be taking a deep interest in the State contest. They go out in very large numbers, to hear the Democratic speakers—considering the busy season. It is well known that the Radicals usually have much smaller crowds than our speakers.

Gen. Clingman left Raleigh yesterday afternoon to fill his appointments in the West.

MASS MEETING AT COMPANY SHOPS.

The Democrats and Conservatives are making immense preparations for the grand Mass meeting and Barbecue at Company Shops, on Wednesday the 31st of August.

Carl Schurz, Senators Tipton, Doolittle and Ransom, Gov. Vance, Judge Merrimon and other eminent speakers have been invited to attend.

This will be one of the largest meetings ever held in the State.

It will be under the management of Capt. E. S. Parker, Chairman of the County Executive Committee of Alamance.

If every County Executive Committee had such a Chairman as Parker, we would elect Merrimon by an overwhelming majority.

DOOLITTLE AT FAYETTEVILLE.

Ex-Senator James R. Doolittle, of Wisconsin, addressed a very large and enthusiastic audience at Fayetteville, on Saturday.

From a gentleman present, we learn that Judge Doolittle's effort gave the greatest satisfaction, and produced the most admirable effect. His statesmanlike and unanswerable arguments against centralization were enthusiastically received, and he was frequently greeted with great applause.

Gen. Clingman followed Judge Doolittle, and delivered a most interesting and telling speech.

LEXINGTON, July 20, 1872.

Mr. Editor:—

The following letter was found at a certain place in Davidson county, near a seat which had been recently occupied by B. F. Beckerdite. It is in the handwriting of W. F. Henderson, as dozens of gentlemen, who have seen it and know his handwriting, can testify. It is now in the possession of a gentleman in Lexington. I understand that B. F. Beckerdite acknowledges the genuineness of the letter. It was unsealed and had endorsed across its back near one end "Pr B. B. Becordite," and addressed to "Judge Settle."

Yours truly,
VINDEX.

The following is a copy:

OFFICE OF L. E. JOHNSON,
Clerk of the Superior Court.

JUDGE SETTLE,

Dear Sir:—Permit me to say that our friend, B. F. Beckordite is the most popular man that we have in our county. As you know he ought to have been nominated for Sheriff. He is one of the men who desires your success *above all other men* in the State, Tod R. Caldwell included. He can and will carry his township by a handsome majority. But I want you, after the election, to help me procure him some appointment under Federal Government, that will aid him to make a few dollars. Notwithstanding he should of received the nomination, he is no disorganizer but stands firm. If you can aid him to $20 it will be a good investment, as good as can be made in this county. He will see you on the 20th. I will be at Pearses Mill in Randolph on the 20th. I am sorry I cannot be here, but I will do you more good than if I was here.

I am truly yours,
W. F. HENDERSON.

W. P. WOOD, ESQ.

W. P. Wood, Esq., a Liberal Republican from Washington city, left the city yesterday evening for the West, and will speak with Gen. Clingman at his appointments, commencing at High Point. See Gen. Clingman's appointments elsewhere.

HON. A. K. MCCLURE, of Pennsylvania, will speak at

Snow Camp, Alamance county, July 23d.

High Point, Guilford county, July 24th.

Asheboro, Randolph county, July 25th.

Salem, Forsyth county, July 26th.

Bethany, (Possum Town,) July 27th.

ENGLISH EMIGRANTS.—During the year 1871, more English than Irish emigrants came to this country. The emigration of the United Kingdom was English, 71,926; Irish, 65,591; Scotch, 13,271. Counting each of these to the value of $1,000 to the country, it will be seen that the national wealth is increased to $150,788,000.

Says the Chicago *Tribune*: "Clayton county, Iowa, which gave Grant 800 majority, is claimed for Greeley by a full thousand; and the claim is attested by a list of well-known names. There are four Greeley papers in the county. The 'land-slide' from Grant has been heard, and felt, and seen, in that quarter."

A letter from Lincoln, Ill., says: "This (Thirteenth) Congressional District, which under the old state of things, would give a Republican majority from 2,500 to 2,000, will be carried by the Reformers."

MR. JAS. PIRSSON:

SIR:—The Piano which I purchased from you in September, 1870, is a very superior one. It has been frequently tested by competent judges, all of whom give unequivocal testimony to its excellence. I could not ask for a better instrument.

Very Respectfully,
W. G. SIMMONS.

RALEIGH, March 17, 1871.

MR. JAMES PIRSSON—Dear Sir: It affords me great pleasure to speak of the real merits and excellence of your Pianos—Great union Piano Co. I have used one of your instruments in my music room ever since last August, 1871, and candor compels me to say that I do not know of another make which I should prefer to your Piano. The instrument keeps remarkably well in tune, and not a string has been broken. Hoping that the demand for your Pianos will never cease,

I am yours most respectfully,

SPECIAL NOTICES.

A Pitiful Condition.

It is a sad thing to pass through life only half alive. Yet there are thousands whose habitual condition is one of languor and debility. They complain of no specific disease; they suffer no positive pain; but they have no relish for anything which affords mental or sensuous pleasure. In nine cases out of ten this state of lassitude and torpor arises from a morbid stomach. Indigestion destroys the energy of both mind and body. When the waste of nature is not supplied by a due and regular assimilation of food, every organ is starved, every function interrupted.

Now, what does common sense advise under these circumstances of depression? The system needs rousing and strengthening; not merely for an hour or two, to sink afterward into a more pitiable condition than ever (as it assuredly would do if ordinary alcoholic stimulant were resorted to,) but radically and permanently.

How is this desirable object to be accomplished? The answer to this question is founded on the unvarying experience of a quarter of a century, is easily given. Infuse new vigor into the digestive organs by a course of Hostetter's Stomach Bitters. Do not waste time by administering temporary remedies, but wake the system up by recuperating the fountain-head of physical strength and energy, the great organ upon which all the other organs depend for their nurture and support.

By the time that a dozen doses of this great vegetable tonic and invigorant have been taken, the feeble frame of the dyspeptic will begin to feel its benign influence. Appetite will be created, and with appetite the capacity to digest what it craves. Perseverance until the cure is complete—until healthful blood, fit to be the material of flesh and muscle, bone and nerve and brain, flows through the channels of circulation instead of the watery pabulum with which they have heretofore been imperfectly nourished. june 12-1m

THE HISTORY OF A NATIONAL REMEDY. Here is the history of the most celebrated tonic of the age in a nutshell. In 1860 it was announced that a certain combination of vegetable ingredients, with a pure diffusive stimulant, was working wonders in the cure of chronic dyspepsia, nervous debility, liver complaint, periodical fevers, rheumatism and constitutional weakness. The unpretending name given to the specific was PLANTATION BITTERS. The statement attracted the attention of invalids everywhere. The new remedy received a fair trial, and the results more than confirmed all that had been said in its praise. Thenceforward it was a grand success. The business columns of the press spread the glorious news far and wide, and the multitude to indigestion, biliousness, physical prostration and premature decay, as if by common consent, sought relief from the new vegetable restorative. They found what they sought. From that time to the present the increase in the demand for Plantation Bitters has been one of the most striking events in this age.

☞ For Coughs, Bronchitis and Consumption, in its early stages, nothing equals Pierce's Golden Medical Discovery.

DR. TUTT'S PILLS is a purely vegetable concentration for keeping the Bowels in natural motion and cleansing the system of all impurities, and a positive cure for Constipation. They restore the disordered Liver, Stomach and Kidneys, to a healthy action, while at the same time they tone and invigorate the whole system.

Dear Sir—Having used your Liver Pills and finding none that have done my family or myself as much good, I would like to know if they would do as well North as here. I intend going North in March, and if they will have the same effect as in this climate, I want to take them on with me. Hoping to hear from you soon,

THE GUBERNATORIAL CAMPAIGN.

Judge Merrimon at Gold Hill and Salisbury—The crowds—Dr. Ramsey's Effort in Reply to Judge Merrimon—Rowan Wide Awake—Large Crowd at Salisbury.

SALISBURY, N. C., July 22nd., 1872.

We left the hospitable abode of Mr. G. W. Johnson, at Farmington, on Friday and after a ride of twenty-eight miles, reached the pretty town of Salisbury. On the road between these two points, we have a fine view of a slope of magnificent farming country, about as good as any we have seen, and every where in this upper country the crops are in fine condition, especially corn.

We are stopping at the Boyden House, Col. C. S. Brown, Proprietor, who entertains his guests in a style which convinces one that he knows his business. He is always found polite and attentive to the wishes and comfort of his guests.

Salisbury is an old town of about three thousand inhabitants, and has a number of handsome residences, the grounds of which are laid off in a style which shows the taste and refinement of their owners. The object of interest to the stranger is the office in which General Jackson lived when he studied law in this place. It is a small building, situated on the lot of Judge Boyden, and, though showing many marks of age and decay, yet it is taken good care of by its owners. It is appropriate that this link in the chain which connects us with the past should be preserved, and that visitors should be allowed to view the place of residence of a man who was afterwards to play so important a part in the history of his country.

In company with Hon. F. E. Shober and A. H. Boyden, Esq., we left this place on Saturday morning for Gold Hill, a distance of fifteen miles, where Judge Merrimon was to speak that day.

As the time for the speeches had not arrived, your correspondent availed himself of this opportunity to visit the gold mines.

These mines are operated by a Northern Company and are said to be a fruitful source of wealth. One of the shafts is seven hundred feet deep and the other two hundred. Not being very inquisitive in regard to the operations below the surface, we did not go down them. We saw the various machinery by which the gold is separated from its place of deposit, which was quite interesting. I have not space to relate the process by which it is done; and, besides, many of your readers are already familiar with it.

Between three and four hundred people had congregated on the ground to hear our candidate for Governor speak; the place set apart being the porch of the hotel, which was festooned with evergreen, roses, &c., the work of ladies, and presented a very pretty appearance. Owing to the wind, the place was changed to another point.

Judge Merrimon spoke a little over three hours, retaining the attention of his audience to the close; his speech being an able exposition of the principles which should be the guide of governments in the conduct of their affairs, and containing the long list of the crimes of the Radical party since it came into power. Before the close of his speech, Judge Merrimon requested his friends to remain and hear Dr. J. G. Ramsey, who would reply to him.

Dr. Ramsey is the Republican candidate for the Senate from this county and Davie, also Grant elector. I had heard of him before and when he rose to reply to Judge Merrimon, I took a position so that I might hear him and take notes on his speech.

The speaker, however, did not attempt to answer the arguments of Judge Merrimon. He first touched on State affairs, then on National, then on National, then spoke of kuklux, &c., and made a characteristic Radical speech. It did not contain an argument, and I heard nothing from the speaker which I considered worthy of mention. The Dr. succeeded only once or twice in obtaining feeble applause from his sable hearers. Before he had concluded most of the whites had left him.

Late in the afternoon, we commenced our return to Salisbury and arrived about half past eight o'clock, having spent a pleasant day, and a profitable one, we trust, to the Democratic party.

On Monday, the crowd began to assemble early for the purpose of hearing our candidate at this place, and at the time of the speaking, over six hundred people had assembled in the large Court House. The large crowd frequently greeted the speaker's remarks with prolonged and loud applause.

Our friends are in high spirits and were very much gratified with Judge Merrimon's effort here and Gold Hill, and the impression he has created wherever he has gone is one which cannot easily be eradicated.

Rowan, as a matter of course, is all right for our ticket, and you may expect good news in August. The Democratic ticket is composed of the following gentlemen: For the Senate from the district composed of this county and Davie, Charles Price, for the House of Representatives, Dr. F. N. Luckey, who was a member of the last Legislature, and Kerr Craige; Dr. J. G. Ramsey, for the Senate, and J. A. Ramsey and Levi Trexler for the House, are their apponents.

The Radical ticket stands no chance whatever, the county being largely Democratic.

We start from here to-night to Brower's Mills, in Randolph county, having spent a most pleasant time in Salisbury and leaving it with much regret. B.

The Raleigh News in Iredell--Fine Prospects for Merrimon--Foote, Cooper and Arnold--The Dolly Varden Carpet-bagger.

STATESVILE, N. C., July 22d, 1872.

Dear News:

Your paper is creating quite a sensation in this locality at present, on account of your manly course in the present struggle for the freemen of North Carolina. You are doing a good thing, and we, the people of Iredell, advise you to fight "it out on that line if it takes all summer," but before the summer is ended, you will find that our good, true and gallant standard bearer, Augustus S. Merrimon, will receive the votes of a majority of the people of North Carolina. We are all enthusiastic here on the election question, and Iredell county will poll a larger vote than it has ever done since the late unpleasantness, Jim Foot and Tom Cooper notwithstanding, although they "are dogs in the manger," but they are such small fry that they are not of much consequence, and therefore, we will let them work their own way, in fraud, and tobacco dealing.

The colored canvasser, Geo. W. Arnold, has been haranguing the negroes of this county for the past week, and he has made quite a gain for the Conservative cause, for even the negroes now, who have listened attentively to him, say that although he is smart, he cannot pull the wool over their eyes; and we are going to make a gain in that line.

There never has been, since the days of 1840, such a determination in the people to vote, and they are all going to the polls, and better than all, they are going to put the right kind of vote in the ballot box, and we look with confidence to see Merrimon's majority swell up to twenty-one thousand. We say hurrah for Greeley and Merrimon! and after the first Thursday of August, we will then say hurrah for Greeley, for we will then have Merrimon as our Governor, and with the gallant Hughes and the State ticket straightout, North Carolina will be once more redeemed from the thraldom of former days, and we will be made to breathe free again.

Our *Duck* alias Drake, is trying to make the people believe that he is on the side of right, but they are too sharp for him, for even his revenue brethren look upon him with contempt and lest I should bring him into notoriety, I will stop here, for he is the *poorest* excuse we have ever beheld, and tell Woodson to look out for the "variegated carpetbag," and carry it up from the depot for him, and take him down to Fraps'

We all say success to the NEWS and Merrimon, and we hope to see the NEWS swell up to many hundred in our county. ION.

Glorious News frim the West—Vance, Ransom, Hughes, and Carey in the Mountains—Great EnthuiaSm.

Ex-Gov. Vance, Gen. M. W. Ransom, and Maj. Jno. Hughes, addressed a large and enthusiastic crowd at Asheville to-day, the 20th.

Maj. Hughes led in the discussion, and though quite unwell, he made one of the most effective speeches I have heard during the campaign. We all feel proud of him as one of our standard-bearers. Gov. Vance followed Maj. Hughes in the best speech of his life. He spoke for two hours and a half, during, which time he was greeted at least one hundred times with deafning applause. Even the Radicals present, many of them, joined in the cheering. Gen. Ransom concluded the discussion in a speech of an hour and a half. And such a speech as it was! I expected much; but I had no idea that Gen. Ransom could make such a speech. It was one of the most stirring and patriotic appeals ever made by any one in this part of the State. Would to God that North Carolina had many more such men as Gen. Ransom!

These gentlemen will speak in Madison, Yancey, McDowell, and other counties next week, and you may be assured they will do great good wherever they go.

Gen. Samuel F. Cary, of Ohio, is also among us. He spoke at Shufordsville, in Buncombe, a few days ago. He is now in the counties West of Asheville speaking every day to large crowds. He is unquestionably one of the finest stump speakers in this or any other country. The State cannot afford to be without his services in the Presidential campaign.

We intend to give our State ticket and Gen. Vance a larger majority than we gave to the party in 1870. I speak advisedly when I say, in no county will our majority be less, and in most of the counties it will be larger, than it was that year.

So, if our friends in the East, and in the central part of the State, will but do their duty we shall win a great and glorious victory in August next—a victory that will so overwhelm and crush the Radical party that scarcely one will be left to tell the tale of their ruin! BUNCOMBE.

Asheville, July 20th.

A CARD.

To The people of North Carolina:

In view of the approaching election, and my present relation to them, I deem it worth while to inform the people that my attention has been called to a scurrilous and libelous paper, extensively circulated in this State, entitled "*Read And Circulate.*"

This paper is anonymous, and does not purport to have the sanction of any Editor, Publisher, political Committee or any body, but it is sent to the people under the Congressional frank of Hon. John Pool United States Senator.

It appropriately makes its first appearance in an obscure weekly paper, published in Washington City, called the "*National New Era,*" edited by a negro named Fred Douglass.

The circular is infamously false, scandalous, and criminal. It imputes to me and other gentlemen, some on and others off the Democratic Conservative ticket for this State, the most infamous crimes against society and individuals, and it is so false, wanton and criminal, that it is not surprising that it is sent out to accomplish what evil it may without apparent sanction of, or attaching amenability to, any one.

It is so monstrously false and scandalous that I was amazed to learn that it was sent out to the people under the frank of Mr. Pool, and I therefore enquired of him, by letter, if it was so sent with his knowledge and consent. He informed me it was, but says it was a "rehash of newspaper articles." It is indeed a "rehash" made up in such an artful way as to charge in terms, by suggestion, artful argumentation, and *innuendo* against me and others, the most disreputable crimes and conduct against the people and State; and it illustrates a species of desperate and disreputable partizan warfare that can not be tolerated, much less justified, among a civilized people; nor do I believe the people of this State of any political party will do so.

So far as I am informed the Radical papers of the State, fruitful as they have been of misrepresentation and falsehood have not republished it.

I deem it due to the people and myself to say for the benefit of any such as might be misled by it, that in so far as it refers to myself the paper is in every material respect absolutely FALSE, SCANDALOUS, AND LIBELOUS, and I believe it is so in reference to the other gentlemen assailed.

In vindication of myself against this wanton attack, it is my purpose to bring suit against Pool, in the Superior Court of Wake, reserving to myself to take such other steps in the future as may be deemed proper.

I am more than willing that the truth shall be ascertained by a judicial tribunal for the better satisfaction of the public, and to the end, that professional politicians may learn that they cannot assail innocent men in such a savage way with impunity, I will give Mr. Pool the opportunity to make good the charges in the anonymous paper, if he can do so.

It has been suggested that such publications are legitimate in political contests like the present. This may be so according to the code of morals of a class of desperate political adventurers, but it is not so, in my judgment, among gentlemen, or a civilized and virtuous community. Nor do I believe the people of North Carolina of any party will endorse such shameless and groundless assaults upon innocent men, because they happen to be put forward by hundreds of their fellow-men for high, responsible and honorable offices.

The paper referred to is a base and criminal prostitution of the freedom of the press to accomplish the baser purposes of deceiving and misleading the popular mind. This good and patriotic men will not do, and the people of all classes may well distrust those who attempt it. A. S. MERRIMON.

VALUABLE LAND FOR SALE

IN THE

COUNTY OF WARREN.

I offer for sale, five hundred and two (502) acres of land, situated in the county of Warren, on Shocco Creek, adjoining the Sulphur Springs. Tract of Col. J. M. Heck, on both sides of the Turnpike Road, leading from the Sulphur Springs to the flourishing Town of Ridgeway, on the Raleigh & Gaston Railroad, and nine miles from the latter place. There is an Overseer's house, three cabins, corn-crib and stables on the premises. About one-fourth (¼) of the tract is in original growth of oak, hickory, &c., one-fifth in second growth pines. The soil is sandy, loam and chocolate—surface undulating—well watered, and about 80 acres of rich bottom land. It yields excellent crops of corn, tobacco, wheat, oats, clover, &c. This is one of the best tracts of land in this section, and will be sold on reasonable terms.

Dr. George Fields, who resides near the land, will take pleasure in showing it to persons wishing to examine it, and is authorized to negotiate for its sale.

SPECIAL FEATURES AND ADVANTAGES.

1st. No restriction on Residence or Travel.

2d. No extra charge on lives of Females.

3d. Policies incontestable after Five Years

4th. The rates of Interest on the Funds of the Company are higher than those on the Funds of Companies located in other States, thus insuring larger Dividends to Policy Holders.

5th. The Directors and Officers of the Company are prominent NORTH CAROLINIANS, who are KNOWN to be men of INTEGRITY and WORTH.

6th. The Company is established on a solid and permanent basis, steps having been taken to increase the Capital Stock to $500,000.

7th, ALL THE FUNDS OF THE COMPANY ARE INVESTED IN THIS STATE AND CIRCULATED AMONG OUR OWN PEOPLE. This fact should commend the Company, above all others, to North Carolinians. It is well known that hundreds of thousands of Dollars in Life Premiums are annually sent North to enrich Northern Capitalists, thus continually draining our people of immense amounts which should be kept at home. On this ground the friends of this Company confidently appeal to every son of the Old North State, and ask their support for this HOME INSTITUTION, which, while it offers substantially all the advantages of Northern Companies, helps to build up HOME INTERESTS.

WEDNESDAY.....JULY 24, 1872.

THE SUN AND THE ROSE.

BY ALICE CARY.

The sun who smiles wherever he goes,
Till the flowers all smile again,
Fell in love with a bashful rose
That had been a bud till then

So he pushed back the modest green hood,
That covered her modest grace,
And kissed her as only a lover could,
Till the crimson burned in her face.

But wo for the day when his golden hair,
Tangled her heart in a net,
And wo for the night of dark despair,
When her cheek with tears were wet!

For she loved him as only a maiden could,
And he left her crushed and weak,
Striving in vain with her faded hood
To cover her guilty cheek

While Adam slept, God from him took
A bone; and, as an omen,
He made it like a seraph look,
And thus created woman.

He took this bone not from his pate,
To show her power ample;
Nor from his feet, to designate
That he on her might trample.

But 'neath his arm to clearly show
He always should protect her;
And near his heart to let him know,
How much he should protect her.

He took this bone, crooked enough,
Most crooked of the human,
To show him how much crooked stuff
He'd always find in woman.

WATSON'S & CLARK'S

HIGH GRADE

Super-Phosphate of Lime.

Composed entirely of the Charleston Rock Phosphate, Sulphuric Acid and Ammonia. Warranted to analyse seven per cent. of Soluble Phosphoric Acid and one per cent. of Ammonia.
We are prepared to offer this reliable and superior Super-phosphate—after a test of more than five years in the cotton growing States of South Carolina, Georgia and Alabama, where its record is second to no other manufactured—not excepting Peruvian Guano and Pure Ground Bone, having a better record for cotton than those—to Planters and Dealers—in any quantity—at any railroad depot in the State, or at the factory, upon satisfactory terms.
Price per ton, delivered at any station on the Raleigh and Gaston Railroad east of Henderson, or on the Wilmington and Weldon road north of Rocky Mount, for cash.
Put up in bags—very stout—for immediate use—or in good barrels—which we recommend as better, owing to the high grade of the article as ordered. Circulars and testimonials furnished upon application. All orders and communications addressed to
